September 21, 2026 · Transiting Sun sextile natal Black Moon Lilith, an exact aspect.
7:20 AM UTC · Significance: 52

September 22, 2026 · Transiting Mercury square natal Chiron, an exact aspect.
8:31 PM UTC · Significance: 52

September 23, 2026 · Sun enters Libra, beginning a new sign cycle.
12:05 AM UTC · Significance: 50

September 23, 2026 · Transiting Mars square natal Moon, an exact aspect.
4:11 AM UTC · Significance: 67

September 24, 2026 · Transiting Venus sextile natal Uranus, an exact aspect.
3:11 AM UTC · Significance: 52

September 24, 2026 · Transiting Mercury square natal Saturn, an exact aspect.
4:42 PM UTC · Significance: 52

September 25, 2026 · Transiting Mercury square natal Jupiter, an exact aspect.
3:48 AM UTC · Significance: 52

September 25, 2026 · Transiting Venus square natal Mercury, an exact aspect.
4:36 AM UTC · Significance: 52

September 25, 2026 · Transiting Mars trine natal Black Moon Lilith, an exact aspect.
7:25 AM UTC · Significance: 67

September 25, 2026 · Transiting Mercury square natal Sun, an exact aspect.
10:25 AM UTC · Significance: 52

September 25, 2026 · Transiting Venus square natal North Node, an exact aspect.
11:11 AM UTC · Significance: 52

September 25, 2026 · Transiting Venus square natal South Node, an exact aspect.
11:11 AM UTC · Significance: 52

September 26, 2026 · Transiting Mercury trine natal Venus, an exact aspect.
3:41 PM UTC · Significance: 52

September 26, 2026 · Full Moon in Aries, the lunar culmination, a peak for completion and release.
4:49 PM UTC · Significance: 52

September 28, 2026 · Mars enters Leo, beginning a new sign cycle.
2:48 AM UTC · Significance: 55

September 28, 2026 · Transiting Mercury opposition natal Moon, an exact aspect.
7:53 AM UTC · Significance: 52

September 29, 2026 · Biorhythm critical day: the physical cycle crosses zero, an unstable transition point.
12:00 AM UTC · Significance: 28

September 30, 2026 · Transiting Sun square natal Uranus, an exact aspect.
2:26 AM UTC · Significance: 52

September 30, 2026 · Transiting Sun sextile natal Mercury, an exact aspect.
10:21 AM UTC · Significance: 52

September 30, 2026 · Mercury enters Scorpio, beginning a new sign cycle.
11:44 AM UTC · Significance: 30

September 30, 2026 · Transiting Sun trine natal North Node, an exact aspect.
12:16 PM UTC · Significance: 52

September 30, 2026 · Transiting Sun sextile natal South Node, an exact aspect.
12:16 PM UTC · Significance: 52

October

October 1, 2026 · Transiting Mars square natal Mars, an exact aspect.
5:56 PM UTC · Significance: 67

October 2, 2026 · Transiting Mercury opposition natal Mars, an exact aspect.
2:23 AM UTC · Significance: 52

October 3, 2026 · Venus stations retrograde, beginning a review phase in its themes.
7:15 AM UTC · Significance: 48

October 4, 2026 · Biorhythm critical day: the emotional cycle crosses zero, an unstable transition point.

October 5, 2026 · Transiting Mercury sextile natal Uranus, an exact aspect.
10:43 PM UTC · Significance: 52

October 6, 2026 · Transiting Sun square natal Neptune, an exact aspect.
3:44 AM UTC · Significance: 52

October 6, 2026 · Transiting Mercury square natal Mercury, an exact aspect.
5:10 AM UTC · Significance: 52

October 6, 2026 · Transiting Mercury square natal North Node, an exact aspect.
6:44 AM UTC · Significance: 52

October 6, 2026 · Transiting Mercury square natal South Node, an exact aspect.
6:44 AM UTC · Significance: 52

October 7, 2026 · Biorhythm critical day: the intellectual cycle crosses zero, an unstable transition point.
12:00 AM UTC · Significance: 28

October 10, 2026 · New Moon in Libra, a fresh lunar cycle and a natural reset point for new intentions.
3:50 PM UTC · Significance: 50

October 10, 2026 · Transiting Mars conjunction natal Mercury, an exact aspect.
6:23 PM UTC · Significance: 67

October 10, 2026 · Transiting Venus square natal North Node, an exact aspect.
9:06 PM UTC · Significance: 52

October 10, 2026 · Transiting Venus square natal South Node, an exact aspect.
9:06 PM UTC · Significance: 52

October 10, 2026 · Transiting Mars opposition natal North Node, an exact aspect.
9:43 PM UTC · Significance: 67

October 10, 2026 · Transiting Mars conjunction natal South Node, an exact aspect.
9:43 PM UTC · Significance: 67

October 11, 2026 · Biorhythm critical day: the physical cycle crosses zero, an unstable transition point.
12:00 AM UTC · Significance: 28

October 11, 2026 · Transiting Venus square natal Mercury, an exact aspect.
3:18 AM UTC · Significance: 52

October 11, 2026 · Transiting Mercury sextile natal Neptune, an exact aspect.
5:41 AM UTC · Significance: 52

October 12, 2026 · Transiting Venus sextile natal Uranus, an exact aspect.
3:05 AM UTC · Significance: 52

October 12, 2026 · Transiting Sun square natal Chiron, an exact aspect.
1:50 PM UTC · Significance: 52

October 13, 2026 · Transiting Mercury conjunction natal Pluto, an exact aspect.
8:23 AM UTC · Significance: 52

October 15, 2026 · Transiting Sun square natal Saturn, an exact aspect.
6:56 AM UTC · Significance: 52

October 15, 2026 · Transiting Sun square natal Jupiter, an exact aspect.
11:04 PM UTC · Significance: 52

October 16, 2026 · Pluto stations direct, releasing forward motion in its themes.
2:39 AM UTC · Significance: 80

October 16, 2026 · Transiting Sun square natal Sun, an exact aspect.
8:37 AM UTC · Significance: 52

October 18, 2026 · Biorhythm critical day: the emotional cycle crosses zero, an unstable transition point.
12:00 AM UTC · Significance: 28

October 18, 2026 · Transiting Sun trine natal Venus, an exact aspect.
2:30 AM UTC · Significance: 52

October 18, 2026 · Transiting Mercury trine natal Chiron, an exact aspect.
8:02 PM UTC · Significance: 52

October 20, 2026 · Transiting Sun opposition natal Moon, an exact aspect.
10:53 AM UTC · Significance: 52

October 21, 2026 · Transiting Venus opposition natal Mars, an exact aspect.
9:33 PM UTC · Significance: 52

October 22, 2026 · Biorhythm critical day: the physical cycle crosses zero, an unstable transition point.
12:00 AM UTC · Significance: 28
